**Item 9. County Requesting a Tax Sale of a parcel that is now owned by Clay County,
Mississippi.**

NO _____

IN THE MATTER OF STRIKING A TAX SALE FOR CERTAIN PROPERTY NOW OWNED
BY CLAY COUNTY, MISSISSIPPI

There came on this day for consideration striking a tax sale on certain property now owned by Clay County, Mississippi,

It appears to this Board that Clay County purchased from Horizon Mississippi Publications, Inc. Lots 9, 11, and 12 of Block 4 of the A. L. Goodman 1938 map, commonly referred to as the Daily Times Leader Building. Said purchase and conveyance taking place February 8, 2010, and

It appears that a verbal agreement was reached as to the purchase price and part of that agreement was any tax liability for 2010 would be waived for Horizon Mississippi Publications, Inc. because they only had ownership for one month (January) in the 2010 year, and

It appears that inadvertently the property was struck to the State of Mississippi at the 2011 tax sale and should never have gone to the tax sale because Clay County Mississippi owned said property

After motion by Mr. McKee and second by Mr. Horton this Board doth strike that 2011 tax sale for said parcel as an erroneous tax sale and instructs the Clerk of the Board to mark the tax sale records of Clay County accordingly

So ordered this the 23rd day of November, 2011.
