

## EMPLOYMENT NOTICE

The City of West Point Water and Light Department announces the following position vacancy:

### **Water and Sewer Department Labor**

Successful candidate will work on the water and sewer distribution systems maintenance crew. Position requires some strenuous labor including some heavy lifting and shovel work. Applicant must be willing to work when called out for emergencies including weekends and in all weather conditions. You must be a resident of Clay County.

It is the policy of the City to fill vacancies by promotion from within the City work force when qualified candidates are available. If no qualified employees are available for promotion, the City will then accept outside applications for consideration for the vacancies. Applications may be obtained at the Water and Light Department, 300 Broad St.. No phone calls accepted. The City of West Point is an Equal Opportunity Employer.
