Re: The City of West Point Streetlight Conversion Project Notice to Proceed

To Whom It May Concern:

This letter confirms a notice to proceed for Trace Services field personnel, through their contract with Path Company LLC, will conduct the conversion and installation of streetlights throughout the City of West Point.

This project begins on September 18, 2023, and it will save dollars in energy and maintenance costs while providing a higher level of service for our citizens. Path will convert all our streetlights to LED through the course of this project.

If you have any questions or would like to verify the authenticity of this letter, please feel free to contact me at the City of West Point by any means listed below.

Sincerely,

Randolph (Randy) W. Jones
Chief Administrative Officer
