

Public Service Announcement (PSA)

On Thursday, May 2nd, 2024 at approximately 7:25 p.m. it was reported that a child potentially came into contact with electrical equipment at the Jesse Harmon Sports Complex. Upon information and belief, no particular physical injury was observed by medical personnel at the scene nor by treaters at a local hospital.

The electrical infrastructure of the Sportsplex is being examined and inspected to ensure safety. In the meantime, all City league sports activities at the Sportsplex will be during daylight hours and none of the electrical infrastructure will be energized.
